This is the home for all things about your pension in the University of Edinburgh Staff Benefits Scheme (the 'Scheme').

You'll find useful information in the home page as well as recent announcements and news about the scheme.

To get full value out of everything available to you on the site, you'll need to create a log in by registering your details, setting up your email address and going through a short security process. This is explained over the page. Once you log in to the secure area, you then have full access to your own personal information, so at any time you can:

- ✓ **View & Update** your personal information
- ✓ **Update** your address
- ✓ **View** your current pension in payment
- ✓ **View** and print your pension payslips and P60s
- ✓ **Tell us** how you prefer us to contact you
- ✓ **Add/Update** your nominated beneficiaries*
- ✓ **Submit** general enquiry requests online

*This will unfortunately not display any details; this is because this information is not held in a digital format and cannot be uploaded to the website. We would ask, that you (re)input your current nominee details using the "Update my nomination" button on the "My Membership" page.
